Re: Concealed Carry Class Qualification Conducted on NEKFG Property.

To Whom It May Concern:

This letter is to inform all instructors of concealed carry classes that conduct the qualification portion on Northeast Kentucky Fish and Game property of the new procedure set in place by the Board of Directors.

1. All instructors must be a member in good standing of Northeast Kentucky Fish & Game Association.
2. All instructors must schedule classes 2 weeks in advance to be approved by the board, and provide the club with a copy of their certification to conduct the classes and a copy of their own liability insurance.
3. All instructors must get all members of each class to sign a waiver provided by the club (a copy of which is attached).
4. All class sizes are to be no more than 25 people.
5. All classes are to be conducted on Dezarne #3 range ONLY!
6. The ONLY part of the concealed carry class that can be conducted on NEKFG property is the shooting qualification.
7. All waivers must be mailed to the club within a week of class.
